

Time	The Great Hall Neuron 1+2	Endorphin hall 3	Dopamine hall 4	Circle of Willis hall 5
7.30 -9.00				
8:00-08:30	Opening of the conference Bart Morlion (Belgium), Mesud Ashina (Denmark), Maria-Elena Ruiz (Spain), Danilov AL.B. (Moscow)			
8:30-10:30	<i>Plenary session No. 1</i> 1. Mesud Ashina (Denmark). Migraine prophylactic therapy: scientific discoveries and real clinical practice. * Report supported by Teva Ltd. NMO points are not awarded 2. Bart Morlion (Belgium) Unmet need for treatment of chronic pain 3. Keysticks S. A. Glycogen in muscles. When does this become evil? Pompe's disease * Report supported by Sanofi. NMO points are not awarded 4. David Leaf (USA) Use of kinesiological diagnostics in neuroscience capacity building			
10:30-10:45				
10:45-12:15	<i>The Great Hall Neuron 1+2</i> Symposium* Report supported by Teva Ltd. NMO points are not awarded Anti-CGRP therapy in the treatment of migraine: doubts and delight Mesud Ashina (Denmark), Tabeyeva G.R., Ameline A.V.	<i>Endorphin hall 3</i> Symposium New treatment options for comorbid patients Danilov An.B., Levin. O.S., Barulin A.E..	<i>Dopamine hall 4</i> Master class * paid workshop Headaches in the practice of a neurologist Long-term consequences of a craniocerebral injury. Part 1 David Leaf (USA)	<i>Circle of Willis hall 5</i> Practical Master - Class: working with our heads and hands Craniomandibular dysfunction as a cause of headache, facial pain and neck pain Rudolf Lackner (Austria)
12:15-12:30	<i>Neuron hall 1</i>	<i>Neuron hall 2</i>	<i>Endorphin hall 3</i>	<i>Dopamine hall 4</i>
12:30-14:00	Symposium* Report supported by Novartis. NMO points are not awarded 5 main questions on biological therapy of migraine Dimos Mitsekostas (Greece), Aydyn Gozalov, Skorobogatykh K.V., Sergeev A.V., Azimova Y.E.	Symposium Chronic pelvic pain: analysis of clinical recommendations Sharov M.N., Danilov Al.B., Zaitsev A.V., Rachin A.P., Naumov A.V.	Symposium Reducing Pain Syndrome in Dorsalgia: The Path of a Thinking Doctor Danilov An.B., Iskra D.A., Yakupov E.Z..	Symposium Multi-faceted neurorehabilitation Solovyova E.Y., Maximova M.Y., Shishkova V.N. Master class * paid workshop Headaches in the practice of a neurologist Long-term consequences of a craniocerebral injury. Part 2 David Leaf (USA)
14:00-14:30	<i>Neuron hall 1</i>	<i>Neuron hall 2</i>	<i>Endorphin hall 3</i>	<i>Dopamine hall 4</i>
14.30–16.00	Symposium * Report supported by Bayer. NMO points are not awarded. Small stories of major problems: Patient with back pain and cardiovascular risks Danilov An.B., Karateev A.E. D.S. Novikova, O.V. Vorobieva	Symposium Three ages of memory and pain Danilov Al.B, Yekusheva E.V., Iskra D.A, Zakharov V.V.	Symposium* Report supported by Sandoz. NMO points are not awarded Back pain is the look of a rheumatologist and a neurologist Yakupov E.Z., Yakupova S.P.	Symposium "Old age is the biggest surprise in life." Associated with age, the "continuum" of clinical and safety issues... Leela A.M., Galushko E.A., Gordeev A.V.. Master class The art of managing back pain. Misconceptions and mistakes, myths and real possibilities Kovalchuk V.V.
16:00-16:15	<i>Neuron hall 1</i>	<i>Neuron hall 2</i>	<i>Endorphin hall 3</i>	<i>Dopamine hall 4</i>
16:15-18:00	Symposium* Report supported by Takeda. NMO points are not awarded. Neuroplasticity, neuroregeneration and pain - do we know everything? Danilov An.B., Yakupov E.Z., Amelin A.V.	-//-	Author's approach to pain treatment Kalinchenko Clinic session Hypoxia and pain: from SMART diagnosis to SMART treatment Kalinchenko S.Y., Vorslov L.O., Grekov E.A.	Author's approach to pain management Tkachev Epifanov Clinic Session Tkachev A.M, Epifanov A.V., Dubovitskaya Y.I. Huseynova K.T., Vazyura E.V, Zhurbenko V.V.

The Start with Yourself Zone, supported by Sponsor's company (Takeda). NMO points are not awarded.

10.30-10.45 Sergeyev A.V. "The Bottom Stones" of Cervicocranialgia Syndrome.Part 1.Neck Causes

12.15-12.30 Sergeyev A.V. "The Bottom Stones" of Cervicocranialgia Syndrome. **Part 2. When the reasons are in the head**

12:30 – 13:30 Merkulova D.M. "Difficult patient". Paradigm of diagnosis of pain syndromes. Symptoms and masks

14:30 – 15:00 Christensen K. (Denmark) How to make a career as a neurologist in Denmark

15:00 – 16:00 Vasilieva L.F. Master class "Manual muscular testing"

Lecture Zone at Teva's booth

12.15-12.30 Skorobogatyh K.V. Red Flags with Headache - what do they talk about? Report supported by Teva. NMO points are not awarded

14.00 - 14.15 Skorobogatyh K.V. Express-selection of preventive therapy for migraine Report supported by Teva. NMO points are not awarded

16.00 - 16.15 Shestel E.A.3 steps in the successful differential diagnosis of headache Report supported by Teva. NMO points are not awarded

15-11-2019 (2-nd day)

Time	The Great Hall Neuron 1+2		Endorphin hall 3	Dopamine hall 4	Circle of Willis hall 5
07:45–08:45	Registration of participants		Breakfast with an expert Report supported by Takeda. NMO points are not awarded. Cervicocranialgies: 2 views on one problem. Is there a solution? Tabeyeva G.R., Barulin A.E. Osipova V.V.	Breakfast with an expert	
08:30– 10:30	Plenary session 2 1. Yakupov E.Z. Adjuvant Pain Therapy: New Opportunities with an Old Problem 2. Karateev A.E. Phenotypes of musculoskeletal pain. Differentiated approach to diagnosis and treatment * Report supported by Teva . NMO points are not awarded 3. Danilov An.B. Medicines for pain: present and future Plenary discussion "The ideal model of pain clinic organization" Moderators: Danilov A.I.B., Isagulyan E.D., Slavin K.V. (Chicago, USA), Kononov E.D. Participants: O.I. Ilyinsky, R.E. Filatov, A.M. Tkachev, A.V. Epiphonov, A.V. Shenk Michael (Germany), Voloshin A.G.				
10:30–10:45	Neuron hall 1		Neuron hall 2	Endorphin hall 3	Dopamine hall 4
10:45–12:15	Symposium Report supported by Teva. NMO points are not awarded Improving the results of the anesthesia: Effective behavioral strategies for professionals and patients Parfyonov V.A., Pravdyuk N.G., Sergeev A.V., Karateev A.E.	Symposium under the auspices of Neuromodulation Associations and Pain Management Interventions Algology from different angles Part 1. Slavin K.V. (Chicago, USA), Danilov A.B. Voloshin A.G., Isagulyan E.D.	Master class* supported by Sandoz. NMO points are not awarded Back pain. Clinical and legal approaches Naprienko M.V. Zubkov D.S.	Symposium* Report supported by Berlin-Hemi Menarini. NMO points are not awarded Pelvic pain is a multidisciplinary problem Vakhmina N.V., Barulin A.E., Dukhin A.O..	Circle of Willis hall 5 Round table Expert Club for Headache Specialists Filatova E.G., Osipova V.V. Artemenko A.R. Shestel E.A.
12:15–12:30	Neuron hall 1		Neuron hall 2	Endorphin hall 3	Dopamine hall 4
12:30–14:00	Symposium* Report supported by Novartis. NMO points are not awarded Hot Topics for International Congresses 2019: EHF. EAN, IHS Tabeyeva G.R., Ameline A.V. Korshkina M.I., Osipova V.V., Filatova E.G..	Symposium under the auspices of Neuromodulation Associations and Pain Management Interventions Algology from different angles Part 1. Brandt P.Y., Genov P.G. Slavin K.V. (Chicago, USA), Voloshin A.G. Isagulyan E.D.	Symposium Expert solutions for pathogenetic treatment of chronic nonspecific back pain Danilov An.B., Karatayev A.E. Naumov A.V. Alexeeva L.I.	Interdisciplinary round table Who is treat chronic pain syndrome in a patient with connective tissue dysplasia? Dialogue between orthopaedist, rheumatologist and psychotherapist Moderator: Krasavina D.A.	Circle of Willis hall 5 Clinical review Difficult patient Barulin A.E., Kurushina O.V. Karakulova Yu.V. Kolokolov O.V.
14:00 – 14:30	Neuron hall 1		Neuron hall 2	Endorphin hall 3	Dopamine hall 4
14.30 -16.00	Round table Organizing Pain Clinics 1. Michael Schenk (Germany). Multidisciplinary model of pain clinic organization in Germany 2. Slavin K.V. (Chicago, USA). Organizing pain clinics in the United States 3. O.I. Ilyinsky, organisation of pain clinics in the EU 4. Tkachev A.M., Epifanov A.V., Filatov R.E., Vasilenko M.G. Experience in organizing pain clinics in Russia 5. Komarov A.N. Organization of botulinum therapy room 6. Korshkina M.I. Headache Office Organization	Symposium under the auspices of Neuromodulation Associations and Pain Management Interventions Complex pain syndromes Part 1. Orlova O.R., Guscha A.O., Genov P.G., Isagulyan E.D., Glebov M.V., Nikitin A.S.	Symposium "Essential oils in prevention and rehabilitation programmes: rationale and practical aspects" Marianovsky A.A.	Academy of Clinical Geriatrics Symposium Chronic pain of "silver" age: a geriatric case or a paradigm? Co-chairs: O.N. Tkacheva, Y.V. Kotovskaya, A.V. Naumov.	Circle of Willis hall 5 Master Class The possibilities of creative art therapy in the rehabilitation of patients with pain Guseva M.E..
16:00–16:15	Neuron hall 1		Neuron hall 2	Endorphin hall 3	Зал 4 Дофаин
16:15–17:45	Round table Pain and pleasure Moderator: Danilov A.I.B. Prokopenko Y.P. Zakharov R.I., Yakupov E.Z., Polyanova L.I.	Symposium under the auspices of Neuromodulation Associations and Pain Management Interventions Complex pain syndromes Part 2. Co-chairs: Portnyagin I.V., Verm Sidharth (India), Skorobogatykh K.V.	Open discussion Temporomandibular joint pain (TMJ) dysfunction - new facts about an old problem Orlova O.R., Mingazova L.R. Soyher M.G., Soyher M.I., Sysolyatin S.P.	Symposium Difficult patient Fedotova A.V. Mendelevich E.G. Zakharov V.V.	Circle of Willis hall 5 Symposium Lebedeva E.R. Korshkina M.I. Karimov A.N.
18:00 –19:00	Neuron hall 1		Neuron hall 2	Endorphin hall 3	Dopamine hall 4
	-//-	Section meeting No. 3 Complex pain syndromes Co-Chairs: Komarov A.N. Isagulyan E. D.	-//-	-//-	Circle of Willis hall 5 -//-

The Start with Yourself Zone, supported by Sponsor's company (Takeda). NMO points are not awarded

10.30-10.45 Barulin A.E. "Assessment of the biomechanical status of back pain"

12.15-12.30 Barulin A.E. "Facial pain in clinical practice"

12:30 – 13:00 The report "Run to live" Osipova D. V

16:00 – 16:15 Svetlana Litvin Art presentation. Motion therapy

Exhibition Area

12:15–12:30 Mini-lectures at the Teva stand "Back pain - new treatment options" E.A. Shestel Report supported by Teva . NMO points are not awarded

14:00–14:30 Mini-lectures at Teva's booth "Back pain - what's new?" Sergeev A.V. Report supported by Teva. NMO points are not awarded

16:00–16:15 Mini-lectures at Teva's booth "Backache - new therapeutic opportunities" E.A. Shestel. Report supported by Teva. NMO points are not awarded

19:00-21:00 Welcome dinner for IMA members "Happy Evening" * Invitations can be obtained at the booth of the Interdisciplinary Medicine Association

КРАТКАЯ ПРОГРАММА
16-11-2019 (3-d day)

<i>Time</i>	<i>The Great Hall Neuron 1+2</i>	<i>Endorphin hall 3</i>	<i>Dopamine hall 4</i>	<i>Circle of Willis hall 5</i>
08:00–09:00	Registration of participants	<i>Breakfast with an expert Pharmacology lessons Afanasiev V.V.</i>		
08:30– 10:30	<i>Plenary session 3</i> 1. Makarov V.V. <i>Psychotherapeutic aspects of pain management</i> 2. Zhyvolupov S.A. <i>Somatic aspects of pain management. Spondyloarthritis - as a fundamental cause of dorsopathies.</i> 3. Danilov A.I.B. <i>Presentation of the 10th Congress of the International Institute of Pain. 20-23 May 2020, Rome (World Institute of Pain 10th International Congress)</i>			
10:30–10:45				
	<i>Neuron hall 1</i>	<i>Neuron hall 2</i>	<i>Endorphin hall 3</i>	<i>Dopamine hall 4</i>
10:45–12:15	<i>Symposium Non-drug pain management methods Part 1. Barulin A.E., Kurushina O.V., Danilov A.I.B., Guryanova E.A., Eremushkin M.A, Nechaev V.I., Medvedeva L.A.</i>	<i>Round table Mind, emotions and pain.
